CHAIRMAN'S CORNER

First the good news. We recently teamed up with the Bedfordshire FA to host at our Keech Hospice Care stadium a very well attended Continuing Professional Development course on women's football coaching. The not so good news is that most of those in attendance were men.

Through VEO the new sponsors of Biggleswade United's women's section not only are we able to provide subscription free football for the women in our two senior sides, we are also

offering ten level one coaching courses to club volunteers or local women.

So far only four women have shown any interest in taking us up on our offer.

For the past four years we have been actively trying to get more women involved on the coaching side at the club both in the youth section as well as with our senior sides.

Both of our women's teams are currently

coached by men and as good as they are and as much as we can continue in the same vein, they realise, as we all do, that some female coaching input in a women's football set up would help to make the teams better.

But it isn't just for the female section where I would like to see a greater female presence but throughout the club with all teams of all ages and gender.

I'm not exactly sure why we should be struggling to find women coaches although I suspect that perhaps women don't see a clear pathway from the world of volunteering into what they perceive to be the male fuelled world of football coaching.

In the world of coaching if a male coach does well with training youngsters then the chances are they may well go one step further and progress into a higher grade Academy.

Those coaches that involve themselves with senior football may well look into the possibility of entering the world of semi-professional or even full professional levels of the game. I am not convinced that women currently believe this is something available to them.

What we are trying to establish at our club is that road that will demonstrate to those women who join us in a coaching capacity that there is nothing to stand in their way if they want to go on to bigger and better things in the world of football and that everyone regardless of gender, nationality or sexual orientation will be given exactly the same opportunity to maximise their potential.

We are fortunate that at our club we have a number of UEFA, A, B and Pro Licence coaches that are always on hand to assist, advise and act as mentors to anyone who needs their guidance.

In the first instance I believe that we will build our project from within by looking close to home and recruiting new coaches from those girls and women who are currently playing for

our female sides but whatever we do, we need to ensure that we find a way of guaranteeing that the women that make up around half of the world's population are as well represented and equally respected in the world of football as their male counterparts are.

STORY OF OUR CLUB

Biggleswade United Football Club was re-formed on the 16th July 1959. However, local history records indicate that there was a Biggleswade United side playing at Second Meadow as early as 1929. Our first season (1959/60) saw us competing in Division Three of the North Herts. League (NHL). After 10 successful years in the NHL the club made the step up to South Midlands League (SML) football. But towards the end of a 15-year association with the SML the club began to struggle and after three years of finishing in the bottom three of Division One we sought fresh fields. The club joined the Herts. Senior but club continued to find the going tough. In 1986 we elected to return to local League football, joining the Bedford and District Football League and began to build again.

The appointment of Brian Swords as first team manager in 87/88 proved to be the turning point in the club's fortunes. During the next ten years the club achieved a tremendous amount of success on and off the football pitch. Our record of League and Cup honours speak for themselves but aligned to this a great deal of work went on behind the scenes to match the on-field success. The club now boasts one of the best clubhouse and ground facilities in the Mid-Bedfordshire area. The success of the club has also attracted many new players as well as commanding a great deal of loyalty from those players who helped the club progress from Division Three of the Bedford and District League to County Senior Club status in just 15 years.

The 1995/96 season was the most successful in

the club's history - winning five major honours; the Beds Intermediate County Cup, Bedford and District League Championship, League Cup Championship and as the League's representatives the club won the Beds. FA Centenary Cup. Having won every major Bedford League honour the club felt it was time to move on and made the decision to make the step up once again and returned to Division One of the SML. In an exceptionally successful first season we celebrated a Division One "double" by winning the Championship and the Division One Cup. We also retained the Beds. FA Intermediate County Cup, only the second club in the competition's history to achieve this feat. To crown our success the club were awarded the SML Special Achievement Trophy in July 1997.

In the season 1997/98 we finally achieved Senior status. This was achieved not only through the endeavours of the players on the field but ultimately as a result of an extremely hard working committee. With the help of the Biggleswade Town Council a new stand was erected and perimeter fencing installed. And two seasons later the club erected floodlights and on the evening of 26th October 1999 we played our first-ever floodlit game at Second Meadow, Ryman League side Leighton Town were the visitors in the Bedfordshire Premier Cup.

The next eleven years saw the first team led by Steve "Snowy" Wright and under his management the club continued to enjoy a very high level of League and Cup success ultimately achieving promotion to the Molten Spartan South Midlands

League Premier Division and with it the opportunity to compete in the FA Cup. And under Snowy the club made three Beds FA Senior Challenge Cup final appearances, winning two of the three with victories over Stotfold (4-1) and Leighton Town (1-0) but missed out in 2006/07 going down 2-0 to Dunstable Town. Snowy's other cup successes came in the form of the Hunts Premier Cup, North Beds Charity Cup, Hinchingsbrooke Cup, the SML Division One Cup and the SML Special Achievement Award once again. The end of the 2006 2007 saw Snowy step down as manager with his assistant, Nick Burton taking over the first team reins. January 5th 2009 saw the club embark on further ambitious ground improvements. With financial backing from Biggleswade Town Council, Mid Beds District Council and the Football Foundation we installed a 260-seater stand, fully enclosed the ground with a double turnstile entrance and players' secure walkway which raised the ground to Grade E status. After several years of stability in terms of first team managers the next six years saw a regular turnover of first team and reserve team managers with Nick Burton, Dave Elkin and Phil Childs all taking over the first team reins for a time.

At the start of the 2013 2014 season we appointed Mick Reardon and Mark Royal as first team managers both of whom had enjoyed success as coaches at the higher levels of football. Their disciplined approach was quickly adhered to and responded to by the players and under their stewardship we achieved the highest Premier Division position in nine years and first silverware in seven years winning the North Beds Charity Cup for the first time in the club's history.

In November 2014 the club took a further positive step to realise our ambitions with the appointment of Sky Sports Presenter and renowned author, Guillem Balague as Biggleswade United's Director of Football. Following Mick and Mark's decision to step down at the end 2014 2015, Guillem was quick to act and recruited a new Head Coach in Cristian Colas Beccera. Cristian was assisted by former professional player, Stuart Bimson, and under their guidance the team finished in eighth spot in the Premier Division in 2017 2018 - the highest position in the club's history. Having built a strong reputation for their outstanding coaching ability and playing philosophy Cristian

and Stuart moved up to Step 3 level club, Staines Town, for the start of the 2018 2019 season. Guillem was again in search for a high quality coach and Jimmy Martin came highly recommended by his predecessor, Colas, who worked with Jimmy at Stevenage FC Academy. Jimmy was appointed Manager in May 2018 but he tendered his resignation in October 2018 having been offered a "hard to refuse" opportunity to take up a coaching role at Premier Division club Watford. Despite the setback the first team went on to record their highest ever League placing – a fourth spot in the Premier Division.

In the season 2019 2020 the club were sitting in a highly commendable third position in the Premier Division and under the management of Chris Devane and Trishnan Patel were hoping for a promotion play off opportunity. However, in March 2020 the season was declared Null and Void by the FA after the devastating outbreak of the Coronavirus. The club were also to learn that Chris and Trishnan had accepted the offer to work at Step 4 and departed the club at short notice. Fortunately the club were able to call upon the services of former Head Coach Cristian Colas. Cristian took the club to its highest ever position in the club's history at the curtailment of the 20/21 season leaving us second in the table on PPG. The club applied for promotion to Step 4 but were unsuccessful. A double whammy came when the club were subjected to a lateral move to the UHlsport United Counties League. After ten years of steady progress at Step 5 the club now face a challenging period that will require steadfastness and perseverance as we work to rebuild a squad that will once again be challenging for promotion. The club has certainly come a long way in relatively few years but we could not have done it without the help of a very supportive Town and District Council who clearly understand the benefits of having a community based club in Biggleswade. Our success is also very much down to a very hard working committee who throughout the year - not just the football season - continue to volunteer their time and commitment to the club, to help it continue to thrive and be a source of enjoyment for our supporters and the Biggleswade community.

The "Magpies" were founded in 1907 and played their early football in the Hatfield District League and, after the 1st World War, joined the Mid Herts League, where the 3rd team played until recently. Earlier records indicate the winning of a Harcourt Cup but it is believed that this was Junior football some 18 months earlier, 1905-6.

Earlier matches were played on two grounds in Coursers Road (the Meadow and the Warren).

Success was a long time coming - 1935-36, and was disrupted by the 2nd World War. The golden era of football came from 1946 through to 1960 when the club won the Mid Herts Benevolent Shield twice, the Bingham Cox Cup, Division 1 and Premier Division titles.

In 1952 the switch was made from Fuzzen Field to the Recreation Ground and into the Herts County League. Division Two was won at the first attempt and success continued with two Playing Fields Cups, the Aubrey Cup twice, Division 1 and Premier titles. This culminated over the Easter weekend in 1960 with the Herts Intermediate Cup and Aubrey Cup double. The Reserve side also completed a double in 1958 winning both Cup and League.

In 1965-66, 1968-69 and 1975-76 saw relegations and a slip down to Division 3. Promotions in 1979-80, 1983-84 and 1985-86 saw a return to the Premier Division after a 20 year gap only to be relegated back immediately.

Odd trophies were picked up in the 60's 70's and 80's but these were pretty barren years on the field. Off the field, however, the club fought for permission to use its old clubhouse. This was secured with leases still running today.

In August 1988 while modernising the building, the club burnt down. Without a clubhouse, the Magpies, playing from a Portacabin, regained entry to

the Premier Division winning the Division 1 title. A new clubhouse was built in 1989 and an extension added in 1993, along with post and rails.

Floodlights were erected in February 2000.

The wish to play South Midlands football eluded the club with 3rd, 3rd, 4th, 4th finishes from 1994 - 1998, when second place would have been enough. Centenary Trophies back to back and another Aubrey Cup were won but the Herts County title only came in 1999/2000, when coming from 15 points behind in January to win by 10 points from rivals, Wormley.

The club's ambition was to gain Premier Division status and with it FA Cup entry. Finishes of 5th 3rd 5th 6th and 5th were not enough in the initial seasons, despite numerous semi-final appearances and consecutive Charity Cup successes in seasons. (2001/2 and 2002/3) The South Midland Reserve Challenge trophy was collected in 2004/5. The First Division title eventually came in 2005/6. With this came the Premier Division and the FA Cup. We had 15 happy seasons and steadily improving picking up the Premier Division Cup in 2010/11 with a 2-0 win against Leverstock Green. Our FA Vase run of 2013/14 saw us to a 3rd round replay which we followed up by being thrown out of the competition in 2014/15 which was a troubled season with many managerial changes. Our last few seasons have continued with changes for the better with Ryan 'Tomo' Thompson installing a togetherness across the club and an FA Cup run that may take some beating in future years and the little reward of second and third Charity Shield wins in 2017-18 and 2018-19. Our aim of promotion was achieved by a FA restructure with the continuing of ground improvements to the fore. Turnstiles have been acquired and with the support of local authorities and sponsors we hope to continue to make the small village proud for many years to come.

COACH CHAT

Luke Molloy – Women's coach

It's been a superb month for both teams and it hasn't gone unnoticed.

The reds remain top of the league after a 6-2 win in the last league match keeping the unbeaten streak in the league. The reds are really pushing on in training whilst taking all the new ideas on board. There is a great atmosphere being created and a belief in the players that they can go on to achieve something special this season.

The Blues have picked up back to back wins including a 5-4 win vs Garston who were last seasons champions. This was an absolute cracker for the spectators with a wholesome display. This was furthered with a 5-0 win in the cup.

As a whole, both teams are on a good run of form. They are working extremely hard to keep the consistency moving.

This Sunday the reds visit St Ives in a top of the table clash alongside the Blues visiting their local neighbours Langford who sit on top of the premier.

PLAYER- CHAT

Hi everyone and welcome to another hard hitting interview with one of our first team. For today's interview I caught up with our new top top striker, Yemi Adelani to find out a bit more about him and how he is settling in at the KHC.

Nick - Firstly welcome to Biggleswade United, how are you finding it since joining?

Yemi - I am finding it really good. The team is set up well with a good structure. Good management, players and coaches. It is set up for success

Nick - Where did you play before joining Biggleswade United?

Yemi - I was at Welwyn Garden City last season. Which were denied from progressing due to ground restrictions. I spoke with Christian during the summer who explained his plans and ambitions for Biggleswade United and what he wants from me.

Nick - Have you always been a forward?

Yemi - I have been a forward since birth

Nick - 'Congratulations you have a son and he is a forward'

Yemi - I mean since I was young. I actually started as a right back but with my speed and strength I moved to forward. I liked the idea of getting the goals and the glory and having my name in the headlines.

Nick - Now I have a number of questions based on what is currently on your phone. What is the most recent photo on your phone?

Yemi - The most recent photo I have on my phone is my girlfriend. She is also on my screensaver and gives me motivation to do well, not just in football but in life.

Nick - What song do you listen to most on your phone?

Yemi - Kayne West and All of the lights. I feel like it's a match day song

Nick - I will play it at the next game

Nick - Do you have any famous people on your contact list?

Yemi - Kye Andrews

Nick - What is your favourite holiday destination?

Yemi - I like Punta Cana in the Dominican Republic

Nick - What football team do you support (other than Biggleswade United)?

Yemi - Manchester United all the way

Thanks Yemi for the interview. I also apologised again to Yemi for suggesting where his good lady could sit in the stand when we played Cockfosters. Within minutes of sitting down a football manager managed to find the same location. Not my finest moment

WE'RE BACKING PLAY SAFE

Biggleswade United is lending its full support to Play Safe – a national FA-led campaign to raise awareness of the importance of safeguarding in football.

Play Safe is being run in partnership with the NSPCC and has the full backing of the Premier League, EFL, Barclays FA Women's Super League and the FA Women's Championship. It's also supported and being run across every other level of the game.

The main element of Play Safe is a series of short films which emphasise the importance of clubs such as ours having safeguarding as an everyday reality. The films also explain to parents/carers and children themselves know what to do if they feel unsafe or worried, because nothing matters more than making sure football is safe for everyone, especially children and young people. You can see these films on our club website and we've also broadcast them on our social media channels.

"As a youth team coach, I will be working with my club to ensure we support the Play Safe messaging," says FA Chief Executive Mark Bullingham. "I am also pleased that the campaign has the support of the former footballers with lived experience of abuse in football, who are on our Survivor Support and Safeguarding Advisory Group. The Group has collectively said:

"Learning from the past is crucial, so that we can prevent the horrific experiences that happened to us and so many others in football, from happening again.

"As a group of survivors, we fully support the ethos and important messages that Play Safe conveys – whether to club officials, parents/carers and or vitally, children and young people themselves. Equally important is that Play Safe is not a one-off campaign – it will be used at key points in the football calendar to remind everyone in football, that children's welfare and keeping them safe, should be at the heart of all that we do."

As the Survivor Group points out, you'll see Play Safe appearing at various points throughout the season to keep safeguarding front of mind in football. Together, we want to do everything we can so everyone – particularly children and young people – has a consistently positive experience of our great game.

Biggleswade United have appointed Tracey James as the club's Child Welfare Officer. Tracey's contact details are tracey.james58@btinternet.com or telephone 07714 661827.
