# CHAIRMAN'S CORNER

As autumn and winter beckons and the nights begin to draw in, the soaring charges of energy and the inevitable implications they will have on our running costs are gradually beginning to hit home.

It is not just about matchdays but also for training nights for our four senior sides when the ground has to be lit and the clubhouse has to be warm and welcoming for all those who attend.

Which is why like never before we need to do

the very best to try to get in touch with local businesses to see if we can work together and see if they can help us by way of sponsorship in all its guises to help address this latest crisis.

Here at Biggleswade United we are blessed by having around 70,000 followers on social media. This has helped us open up partnerships with people all over the world and we have in the past featured in reports on Spanish and Brazilian TV, have been the subject of a double paged spread in the prestigious French sports paper,

L'Equipe and even featured in a mini fly on the wall series on TV2 in Norway.

But there is nothing more vital, valuable and effective than establishing a network that can make direct contact with those people on our doorstep, our own community.

We now around 200 people involved at the club as volunteers, players or coaches all of who can spread the word.

There are many ways that local businesses can support us be it by sponsoring a player for £75, a match for £150, or even the match ball for £50. We already have around 10 of our players from our senior sides sponsored and hopefully more will follow.

There are also opportunities for businesses to advertise their businesses around the ground and we are constantly looking for new and varied ways to keep the ground running on a daily basis.

Above all we must strive to develop relationships with those who are closest to us because now more than ever before we need to work together to try to create an identity and mutual prosperity for us and that community that we are proud to be a part of.

There is now a fund-raising team and one of our first initiatives will be to have our replica kit and other club merchandise available in an outlet in the town as well as at the clubhouse.

We are constantly talking to the hospitality industry in the town to see how we can work together with advertising.

Financial assistance from the FA during the pandemic was a vital lifeline for us but is now a thing of the past.

We now need to look at maximising the assets that we have. Our clubhouse is always available to rent for functions such as birthday's, weddings, anniversaries etc or for any clubs, societies or companies looking for a venue where their members or employees can enjoy the benefits of a fully licensed bar and the warmest of welcomes.

# STORY OF OUR CLUB

Biggleswade United Football Club was re-formed on the 16th July 1959. However, local history records indicate that there was a Biggleswade United side playing at Second Meadow as early as 1929. Our first season (1959/60) saw us competing in Division Three of the North Herts. League (NHL). After 10 successful years in the NHL the club made the step up to South Midlands League (SML) football. But towards the end of a 15-year association with the SML the club began to struggle and after three years of finishing in the bottom three of Division One we sought fresh fields. The club joined the Herts. Senior but club continued to find the going tough. In 1986 we elected to return to local League football, joining the Bedford and District Football League and began to build again.

The appointment of Brian Swords as first team manager in 87/88 proved to be the turning point in the club's fortunes. During the next ten years the club achieved a tremendous amount of success on and off the football pitch. Our record of League and Cup honours speak for themselves but aligned to this a great deal of work went on behind the scenes to match the on-field success. The club now boasts one of the best clubhouse and ground facilities in the Mid-Bedfordshire area. The success of the club has also attracted many new players as well as commanding a great deal of loyalty from those players who helped the club progress from Division Three of the Bedford and District League to County Senior Club status in just 15 years.

The 1995/96 season was the most successful in

the club's history - winning five major honours; the Beds Intermediate County Cup, Bedford and District League Championship, League Cup Championship and as the League's representatives the club won the Beds. FA Centenary Cup. Having won every major Bedford League honour the club felt it was time to move on and made the decision to make the step up once again and returned to Division One of the SML. In an exceptionally successful first season we celebrated a Division One "double" by winning the Championship and the Division One Cup. We also retained the Beds. FA Intermediate County Cup, only the second club in the competition's history to achieve this feat. To crown our success the club were awarded the SML Special Achievement Trophy in July 1997.

In the season 1997/98 we finally achieved Senior status. This was achieved not only through the endeavours of the players on the field but ultimately as a result of an extremely hard working committee. With the help of the Biggleswade Town Council a new stand was erected and perimeter fencing installed. And two seasons later the club erected floodlights and on the evening of 26th October 1999 we played our first-ever floodlit game at Second Meadow, Ryman League side Leighton Town were the visitors in the Bedfordshire Premier Cup.

The next eleven years saw the first team led by Steve "Snowy" Wright and under his management the club continued to enjoy a very high level of League and Cup success ultimately achieving promotion to the Molten Spartan South Midlands

League Premier Division and with it the opportunity to compete in the FA Cup. And under Snowy the club made three Beds FA Senior Challenge Cup final appearances, winning two of the three with victories over Stotfold (4-1) and Leighton Town (1-0) but missed out in 2006/07 going down 2-0 to Dunstable Town. Snowy's other cup successes came in the form of the Hunts Premier Cup, North Beds Charity Cup, Hinchingsbrooke Cup, the SML Division One Cup and the SML Special Achievement Award once again. The end of the 2006 2007 saw Snowy step down as manager with his assistant, Nick Burton taking over the first team reins. January 5th 2009 saw the club embark on further ambitious ground improvements. With financial backing from Biggleswade Town Council, Mid Beds District Council and the Football Foundation we installed a 260-seater stand, fully enclosed the ground with a double turnstile entrance and players' secure walkway which raised the ground to Grade E status. After several years of stability in terms of first team managers the next six years saw a regular turnover of first team and reserve team managers with Nick Burton, Dave Elkin and Phil Childs all taking over the first team reins for a time.

At the start of the 2013 2014 season we appointed Mick Reardon and Mark Royal as first team managers both of whom had enjoyed success as coaches at the higher levels of football. Their disciplined approach was quickly adhered to and responded to by the players and under their stewardship we achieved the highest Premier Division position in nine years and first silverware in seven years winning the North Beds Charity Cup for the first time in the club's history.

In November 2014 the club took a further positive step to realise our ambitions with the appointment of Sky Sports Presenter and renowned author, Guillem Balague as Biggleswade United's Director of Football. Following Mick and Mark's decision to step down at the end 2014 2015, Guillem was quick to act and recruited a new Head Coach in Cristian Colas Beccera. Cristian was assisted by former professional player, Stuart Bimson, and under their guidance the team finished in eighth spot in the Premier Division in 2017 2018 - the highest position in the club's history. Having built a strong reputation for their outstanding coaching ability and playing philosophy Cristian

and Stuart moved up to Step 3 level club, Staines Town, for the start of the 2018 2019 season. Guillem was again in search for a high quality coach and Jimmy Martin came highly recommended by his predecessor, Colas, who worked with Jimmy at Stevenage FC Academy. Jimmy was appointed Manager in May 2018 but he tendered his resignation in October 2018 having been offered a "hard to refuse" opportunity to take up a coaching role at Premier Division club Watford. Despite the setback the first team went on to record their highest ever League placing – a fourth spot in the Premier Division.

In the season 2019 2020 the club were sitting in a highly commendable third position in the Premier Division and under the management of Chris Devane and Trishnan Patel were hoping for a promotion play off opportunity. However, in March 2020 the season was declared Null and Void by the FA after the devastating outbreak of the Coronavirus. The club were also to learn that Chris and Trishnan had accepted the offer to work at Step 4 and departed the club at short notice. Fortunately the club were able to call upon the services of former Head Coach Cristian Colas. Cristian took the club to its highest ever position in the club's history at the curtailment of the 20/21 season leaving us second in the table on PPG. The club applied for promotion to Step 4 but were unsuccessful. A double whammy came when the club were subjected to a lateral move to the UHlsport United Counties League. After ten years of steady progress at Step 5 the club now face a challenging period that will require steadfastness and perseverance as we work to rebuild a squad that will once again be challenging for promotion. The club has certainly come a long way in relatively few years but we could not have done it without the help of a very supportive Town and District Council who clearly understand the benefits of having a community based club in Biggleswade. Our success is also very much down to a very hard working committee who throughout the year - not just the football season - continue to volunteer their time and commitment to the club, to help it continue to thrive and be a source of enjoyment for our supporters and the Biggleswade community.

A FAR FROM CLOSED SEASON by Tracey James

The term "Closed Season" is possibly one of the greatest misnomers in football as for hundreds (possibly thousands) of volunteers throughout non-league football it heralds probably the busiest time of the year. It is the time when the big jobs get done and this closed season for the volunteers at Biggleswade United this closed season was one of those such times.

As the curtain came down on a very dramatic end of season, work started both inside and outside of the clubhouse and on the pitch in preparation for a new season.

The biggest visible change is a completely revamped and refurbished bar area. Our Stevenage quartet of Karen, Petula, Darren and Del spent many hours stripping out the dated bar and replacing it with a brighter, modern feel with "mood lighting" and clean lines bringing it into the 21st century.

Outside of the clubhouse, Steve has painted the exterior walls once again (!) but almost everyday he and Geoff have kept on top of the weeds and general maintenance around the ground. I firmly believe we have one of the tidiest grounds in the League and maintaining this is a mammoth task requiring long, dedicated hours.

And finally, to the pitch. What a task this has been this season! The extreme weather conditions have meant that Heather has been at the club virtually everyday since it was re-seeded and vertidraind in April. Except for two weeks in July – when Bernat and Ramon took over responsibility – Heather has tended and watered the pitch continuously. It has been a task from hell but when it finally rains the fruits of her labour will be fully appreciated.

A very big thank you to all our volunteers. Without them the club would not exist.

# PLAYER CHAT

Hi everyone and welcome to the first home game of the 2022/23 season back in the Spartan South Midland Premier. For today's round of hard hitting questions, I managed to grab an interview with our top top left back Cameron Hyde

Nick - How are you finding your time at Biggleswade United after joining us last season?

*Cam - Really really enjoying it and with the players coming on leaps and bounds, looking forward to the upcoming season*

Nick - Where did you play your football previously?

*Cam - I previously played at Eynesbury and Kempston Rovers which helped bring me to where I am now, playing good football at Biggleswade United and enjoying it*

Nick - Have you always been a left back?

*Cam - Not always. When I was younger I played everywhere. Centre midfield, left wing, right wing, number 10 but gradually as I have grown up I have become a left back/left wing back*

Nick - If you had to sing an initiation song what would you sing?

*Cam - Probably Oasis - Wonderwall*

Nick - Now new for this season I have a number of questions based on what is currently on your phone. What was the last song you listened to on your phone?

*Cam - The last song I listened to was probably Elegant & Gang by D-Block Europe*

Nick - What is the most recent photo on your phone?

*Cam - It was paint for my house*

Nick - Do you have any famous people on your contact list?

*Cam - No I don't*

Nick - Not even Del (Digweed)

*Cam - No*

Nick - Do you have a pre match ritual before every game?

*Cam - No ritual for me. Just turn up and do my stuff*

Nick - Favourite takeaway?

*Cam - It's got to be chinese*

Nick - And finally what song would you like to hear me play before a match? A song that would get you in the zone, run through walls, etc

*Cam - Anything by D-Block Europe*

Thanks Cam for the interview. I will try and find a song by them that is suitable for family listening.

# COACH CHAT

## Cristian Colás - Men's Head Coach

Today we commence our 2022/2023 FA Vase journey, a special Cup of us as it's recognised as the FA competition that will see clubs at our level achieve their dream – a final at the world-famous Wembley Stadium. With the unbelievable success of former League opponents, Newport Pagnell Town firmly in our memories, we are extremely motivated for today's game after the promising start the team has made this season.

In our last game at London Colney, that saw us return victors with a 2-1 win, we demonstrated the

importance of game management. Understanding when we are making the wrong decisions and being able to correct them – as a collective -is vitally important and we succeeded in this which is something I am very proud of.

There is a great fighting spirit and togetherness within the squad but we need to keep building and getting stronger.

Come on United!!

## Ashley Pead - Women's Coach

So here we are at the start of another season. We have had a positive pre-season and we have welcomed several new players to the club across the two sides.

The blues have been moved up a division to the Premier of the Beds and Herts league which will be a tough challenge but one we believe the squad can rise to. The Reds remain in ERWFL div 1 North and as runners up last season, we hope they will once again be challenging at the top end of the table. We have had some very exciting news with VEO becoming the new kit sponsor of the women's section which we are very proud of. We also welcome Liam Clifton to the club who joins the current coaching set up.

In the coming weeks the Reds have three home games in a row starting with AFC Dunstable this Sunday and then the first qualifying round of the FA Cup against Headstone on the 11th September. The blues continue their pre-season with the opening game away at Hartham on the 11th.

We have a fantastic group coming together and hope they enjoy the season ahead with Biggleswade United.

As always, a big thank you to Tracey and the other volunteers within the club for their tireless work week in week out.

# WE'RE BACKING PLAY SAFE

Biggleswade United is lending its full support to Play Safe – a national FA-led campaign to raise awareness of the importance of safeguarding in football.

Play Safe is being run in partnership with the NSPCC and has the full backing of the Premier League, EFL, Barclays FA Women's Super League and the FA Women's Championship. It's also supported and being run across every other level of the game.

The main element of Play Safe is a series of short films which emphasise the importance of clubs such as ours having safeguarding as an everyday reality. The films also explain to parents/carers and children themselves know what to do if they feel unsafe or worried, because nothing matters more than making sure football is safe for everyone, especially children and young people. You can see these films on our club website and we've also broadcast them on our social media channels.

"As a youth team coach, I will be working with my club to ensure we support the Play Safe messaging," says FA Chief Executive Mark Bullingham. "I am also pleased that the campaign has the support of the former footballers with lived experience of abuse in football, who are on our Survivor Support and Safeguarding Advisory Group. The Group has collectively said:

"Learning from the past is crucial, so that we can prevent the horrific experiences that happened to us and so many others in football, from happening again.

"As a group of survivors, we fully support the ethos and important messages that Play Safe conveys – whether to club officials, parents/carers and or vitally, children and young people themselves. Equally important is that Play Safe is not a one-off campaign – it will be used at key points in the football calendar to remind everyone in football, that children's welfare and keeping them safe, should be at the heart of all that we do."

As the Survivor Group points out, you'll see Play Safe appearing at various points throughout the season to keep safeguarding front of mind in football. Together, we want to do everything we can so everyone – particularly children and young people – has a consistently positive experience of our great game.

## THE EMIRATES FA CUP Preliminary Round

The weekend began with ten SSML sides looking for FA Cup glory and ended with two securing their places in the next round with another six facing replays. The pick of the results was Aylesbury Vale Dynamos who enjoyed a giant-killing 3-1 win over visiting Step 4 side Bristol Manor Farm (and more on this later in the ramblings). Also through are Dunstable Town who overcame West Essex, the hosts winning by the odd goal in three on Sunday. There was late drama at Stotfold where visiting Grays Athletic thought they had won with a 90th minute strike only for the hosts to level before the cheers had died down. The weekend begun on

Friday night as Ardley United travelled to Aylesbury United and were unlucky when going down to a solitary goal defeat. Shefford Town & Campton's debut in the competition as they secured a 1-1 draw at Southend Manor (more on this later in the ramblings) while Leighton Town returned from their trip to Barking with a 0-0 draw.
